

Under Contract

Palmwoods

Quality, large blocks of Land

This elevated lot captures the South westerly aspect to the hinterland hills. A 27m frontage to Abbots Road and curving with the natural contour of the block just slightly, a 51m length running down the longest part of the block, there is more than enough room to build a stunning home. Please contact me either via text or email and I'll send you the disclosure plan.

Maintaining the standard of quality in the hinterland town. The mission is to keep the integrity of a stunning place like Palmwoods, larger lots provide that sense of security and peace of mind that the country charm will be kept, while the quality holds the value for years to come. There are four sloped sites at 1,500m2 and two flat sites at 2,000m2. With a focus on providing comfort to the more established home buyers/builders in the market.
